

SPRING PRAYER LETTER

GENERAL UPDATE

As summer approaches, we would love to highlight and share some of what God has been doing recently within 2CYTrust! We are deeply grateful and humbled to be a part of this precious ministry in reaching and discipling the next generation. Time and again, we have seen God at work, guiding us to new opportunities to connect with young people in schools, churches and encouraging young believers in their journey with Jesus.

“We give all the glory to God in this season of encouragement, growth, and renewed vision. God is on the move and young people are hearing the wonderful gospel of Jesus Christ!”

HIGHLIGHTS

These are some highlights we want to share with you to give you an idea of what the Trust has been doing recently:

- **Daniel's completion of training and probation period** – On the 1st of May Daniel was officially commissioned after his 6-month training and probationary period. This was a wonderful evening of prayer and praise. We were so encouraged to see many people from churches across the area gather together in fellowship.

Commissioning Service

This evening included worship, a message delivered by Harrison Summit, prayer over Daniel and the work of 2CYTrust, and a moment to hear more about the Trust's vision.

- **Assemblies** – We have had the privilege of being part of assemblies in the following primary schools: Carstairs, Biggar, and Libberton, as well as Lesmahagow High School. These have been wonderful opportunities to share the message of Jesus and to provide support in this important part of school life.
- **It's Your Move** – As Primary 7 pupils across Clydesdale prepare to transition to High School, the Trust has had the opportunity to visit three local schools to deliver the "*It's Your Move*" transition lesson. These sessions are designed to help pupils think about the changes, challenges, and choices that come with moving to secondary school. As part of the lesson, we explore the story of Ruth, reflecting on how she experienced and responded to significant change. This provides a valuable opportunity to share how God was with Ruth throughout her journey—guiding her, providing for her, and giving her strength in uncertain times.

SU Groups

Over the last few months, SU Groups have been running in Biggar Primary, Law Primary, and Lesmahagow High School. These groups continue to be a real encouragement, providing a space for young people to explore faith, ask questions, and grow in their understanding of Jesus.

- **Partnering with Local Churches** – Over the past months, Daniel has been able to visit some local Churches, preaching, sharing about the Trust and supporting their youth work.

Serving Churches...

- Calvary Carlisle – visiting and sharing at Anchors Plus Youth, and at the Sunday service.
- Kirkmuirhill Parish Church – Joining the team at Teen Space and sharing at Sunday service about 2CYTrust.
- Hope Church Blackwood – Supporting the Inservice Day Club
- Bridge Church Lanark – Sharing at the Sunday service

These opportunities to join and serve the local Churches have been full of encouraging conversations and new friendships. It's a blessing to build these relationships and who knows how God will develop his work through them, for his glory!

- **Connect Group** – The Clydesdale Connect Group, which has been meeting on a monthly basis has been a big encouragement.

Connect

These monthly gatherings to study the Bible and enjoy time in community, while smaller in number—with around 4–6 young people attending from different churches—have been deeply encouraging. To witness them enjoying time reading and discussing God's word has been amazing!

- **Updated Website** – Thanks to the help of James Anderson, the 2CYTrust website has been updated and refreshed. Please feel free to check it out!
